

LINESPOT II LOWBAY EMERGENCY LIGHT TWT9953WA

Self-contained LED Emergency Light with 3 h Battery and Wireless Central Monitoring

The Linespot II Lowbay is a surface-mounted emergency light that is particularly suitable for low spaces. The luminaire's optics are designed to provide a long and narrow light pattern that illuminates corridors and escape routes efficiently.

Thanks to the IP44 enclosure class, the Linespot II is also suitable for damp areas. The luminaire is easy and fast to install, thanks to a separate mounting base, which is also connected to the power supply.
