

EASY COMBO EMERGENCY LIGHT OR EMERGENCY EXIT LIGHT YB151WK120

Addressable 230 V centrally supplied Emergency / Exit Light.
The package includes the luminaire, and a rotatable sign.

Teknoware Easy Combo is a combination light, which can be used as either an emergency or emergency exit light. When fitted with the rotatable sign, Combo can show the direction arrow pointing up, down, left or right. When Combo is used as an emergency exit light, a separate ceiling bracket is needed for ceiling installation (TWTB104). When Combo is used as an emergency light, the sign is not installed.

Easy Combo can easily be surface or semi-flush mounted thanks to its practical design. Easy's wide product family offers an ideal choice when you want a single fixture for your entire property's needs.
