

STAMINA: LINE MIDBAY

Stamina Line Midbay is a versatile and durable emergency light that is designed to be used outdoors in demanding industrial environments, such as tunnels, carports, garages, and loading platforms. Wherever there’s a need for a stylish but sturdy luminaire to withstand cold and rough conditions, Stamina is the best choice for you.

Stamina has an impact resistant cast aluminium body (IK10) and it is dust- and waterproof (IP65). Stamina’s standard colour is graphite grey (RAL 9007). On request, it is also possible to have Stamina in any RAL-colour you like to match the surrounding environment. Stamina can also be used for general lighting.

SELF-CONTAINED ESCAP EMERGENCY LIGHTS WITH SUPER CAPACITOR AND SELF-TESTING

Product Code	Nominal Supply Voltage	Feature	Backup (h)	Form
TWS7992WMG	220-240 V, 50/60 Hz AC	Escap, Lumi Test	1
